

## BCAPA Dance Dress Code 2022-2023

### **All dancers are expected to:**

- Wear their hair pulled back and away from their face while in class. Long hair should be in a bun for all ballet classes.
- Practice good hygiene- Please think of the others dancing in class with you!
- Refrain from wearing their dance shoes outside and in the parking lot. This brings dirt and grit into the studios which ruins the dance floor. Wearing shoes outside will also ruin dance shoes, causing parents to have to purchase new ones more frequently.
- Remember that wearing bras and underwear under leotards is not necessary. Leotards are made to provide support, but dancers may wear a sports bra or dance bra under their leotards if they would like.

If the dress code is not followed, one warning will be issued in class and parents will be notified. If the dress code is not adhered to after the first warning has been given then the dancer will be asked to sit out from class. Special situations can be discussed with the Dance Director and there will be extra time given at the beginning of the semester to obtain dance clothes. Students can find dance attire at **Attitudes Dancewear** at 625 N. Carriage Parkway in Wichita.
