Kindermusik Tuition includes monthly materials such as instruments, music, and props for class.

Kindermusik is an early childhood music and movement program designed to provide a rich and engaging musical experience for children from infancy to early school age. It offers a holistic approach to learning that incorporates music, movement, and exploration, helping children to develop essential skills such as language, social, and cognitive abilities. Through fun and interactive activities, Kindermusik promotes a love for music, enhances fine and gross motor skills, and fosters early literacy and numeracy skills, all while strengthening the parent-child bond in a supportive and creative environment.
